

## Online Event Ticketing with amiando: Fast & Easy!

## Security for you - and fast entry for your guests

Benefit from the professional entry management solution of amiando. With amiando's free software easyEntry you can check tickets with webcams or barcode scanners.

-  Maximum security: you can check if a guest's ticket is valid and paid for in one glance
-  Satisfied customers:
-  Quick and easy entry for your guest
-  No installation or computer software knowledge is required
-  Online or offline usage with multiple entry stations

**„By using amiando, we were able to considerably increase our ticket sales. And our Accounting Department saved a lot of time. My conclusion is: A rise in sales and lower costs, and all this in combination with first-class-service.“**

Andreas Jürgeleit, Eventos OME
